

Mitsubishi Motors Malaysia Sdn Bhd is the official distributor of Mitsubishi Motors vehicles in Malaysia. As one of Malaysia's leading automotive company, Mitsubishi Motors Malaysia is committed to produce and sell vehicles that are technologically advanced, high in quality, performance, safety and comfort.

We invite suitable talented individuals who are result-oriented, fast-paced and committed to join us as:

MANAGER – PRODUCTION CONTROL (Based in Pekan)

To plan, implement, evaluate, maintain and monitor operational matter related to CKD Production (planning and supply chain including dealing with related authority agencies) within company's short, medium and long-term strategy in order to achieve desired KPI.

Main Responsibilities:

- To discuss with Sales Planning Department and Contract Assembler, to release monthly Production plan and revised plan (if any) as per agreed timeline.
- To ensure the availability of KD parts and local parts to avoid any production line stop. To manage overall process of KD parts and local parts supply (ordering until invoices processing).
- To ensure operation is running at most effective cost (including KD storage cost, demurrage and detention cost etc.).
- Always to ensure operation / activity is inline with internal and external compliance guideline and to have regular check / audit / review.
- To keep up to date and to implement, government rules and regulation related to CKD operation. To have a direct engagement with the government officer related to CKD operation.
- To provide necessary report (internal / external / authority) timely.
- To manage section, and guide subordinates on related task.

Requirements:

- Bachelor Degree in any discipline (Engineering or Logistics will be an added advantage).
- Minimum 8 years of total experience in automotive industry, especially related to Logistics and CKD Production.
- Willing to learn, high spirited, curious in nature and enthusiastic.
- Familiar with CKD Production Planning, import & export procedures, and related government policy in automotive industry.

Interested applicants are invited to write-in, fax or email a detailed resume stating qualifications with a recent passport-sized photograph to:
